

PHOTON P

The **Photon P** is the first multi cutter diamond blade designed for porcelain and ultra compact surfaces like **DEKTON®**.

- The edge of the blade makes incredible chip free cuts while the face of the blade can be used for shaping, sanding and grinding.
- This universal tool works great wet or dry on all types of tile and even natural stone.
- Flange is sold separately.

DEKTON®
designed by **COSENTINO™**
